--

The Assistant Directors, Malabar and South Kanara report that no tarpaulins were supplied to the yards under their control after 1937, that the existing ones are found unserviceable due to wear and tear and that 37 tarpaulins measuring 18' long and 12' wide with eyelets to the Assistant Director Malabar and 10 tarpaulins of of the same type to the Assistant Director South Kanara may be supplied. They have also stated that the amount can be met from the existing allotment under "Fish Curing Yards - Other charges". Quotations were therefore called for from approved firms and the quotation of Messrs. Benny & Co., Madras at the rate of Rs.114/- per tarpaulin measuring 18' long and 12' wide made of brown proofed canvas suitably eyeletted F.O.R. Madras, sales tax extra is found cheaper. I therefore request that a sum not exceeding Rs.5,700/- may be sanctioned for the purchase and supply of 47 tarpaulins to the Assistant Directors Malabar and South Kanara.
